## Thank you!

Thank you so much to everyone who has helped me become the musician I am today. I never would have gotten to where I am without all of your amazing help and support! I am forever grateful.

## KIARA'S SENIOR RECITAL

An operetta premiere and performances of new music!

# Program

## Flashing Lights and Language Warning

The performance will have some flashing lights and will contain adult language, such as cursing and discussion of depression and suicide.

The last few songs on the program explore some themes of suicide and depression, which may be triggering to some people.

Those who should need to step out can do so at any point. Learning yourself and creating your own boundaries is healthy and I support those that do!
